SENIOR MOVE MANAGEMENT PARTNER SERVICE OVERVIEW

You Manage the Move. We Help Handle What Remains.

When a senior transition leaves behind household contents, storage units, garages, basements, or property requiring an organized clear-out, All Set Ready To Go provides a practical path forward. We work with clients and authorized representatives to coordinate agreed property services while senior move management professionals remain focused on the transition and their client relationships.

How We Support Your Clients

- Senior and household downsizing
- Remaining-property and post-move clear-outs
- Storage-unit reduction
- Garages, basements, and household contents
- Estate and inherited-property transitions
- Authorized property removal and disposition

Why Partner With All Set

- Supplemental physical project support
- Respect for the senior move manager's existing client relationship
- Clear scope and authorization
- Preliminary planning and walkthrough process
- Practical coordination during time-sensitive transitions
- Service throughout Aurora and the Denver metro area

The Referral Process

1. The senior move manager identifies a client with a property-transition need.
2. The partner shares All Set's contact information with the client or authorized representative.
3. The client contacts All Set through the website or business telephone number.
4. All Set reviews the project and provides a preliminary service plan.
5. A walkthrough is arranged where needed to confirm scope, pricing, and scheduling.
6. Upon authorization, All Set coordinates the agreed services.
